

# New Parents' Orientation 2025

*“A parent is a teacher at home and a teacher is a parent in school and the child is the centre of our universe.”*

When families are involved in the education of their children in positive ways, the children maximize on their untapped potentials and demonstrate positive attitude and behaviour.

With this view, Dev Sangha National School, organises an Orientation Programme for the parents and guardians of the new students who have enrolled every year with renewed enthusiasm.

The purpose of this orientation is to ensure that parents feel as confident and comfortable as their children will be. The Orientation Programme aim to:

1. Familiarize the parents with our school curriculum, teaching methods, and daily routines as per the National Education Policy 2020 and National Curriculum Framework.
2. Provide insights into how Dev Sangha National School address the unique needs of each child.
3. Establish a strong partnership with parents as important stakeholder, because when parents and teachers work together, the results are extraordinary.

Teacher In - Charge Academics Mr. Awantika Anand in his welcome address to the parents laid stress on kindergarten philosophy and curriculum with main focus area on Language and literacy, Numeracy, Social and emotional skills, Physical development, Creativity and Imagination.

The School Principal, Ms Punam Bhowmick in her address, laid stress on effective communication between the teachers and the parents and also sought their support and suggestions so that the children could be provided the best for their overall development. The parents, “as partners in progress” were familiarized with the curriculum, rules and regulations of the school, teaching methodologies and the co-scholastic activities as per NEP 2020.
